

The background features several overlapping geometric shapes in blue and black. A large black square is positioned in the upper right, with a blue square partially overlapping it. Below this, another blue square is visible. In the lower right, a large black shape, possibly a triangle or a large square, is partially covered by a blue shape. The overall composition is modern and minimalist.

What We Offer

AUDIT AND ASSURANCE

Our audit and assurance services are designed to provide a comprehensive understanding of your business and the effectiveness of your accounting and control systems. We focus on identifying risks of material misstatements in your financial statements, while also tailoring a range of other assurance services to meet your specific needs. These include limited reviews, agreed-upon procedures, assurance of non-financial information, internal auditing, and sustainability reporting.

CORPORATE FINANCE

Through our global network of member firms, we can help you manage and expand your operations with the following services: fundraising support for both equity and debt, corporate valuation, pre-IPO advisory, and initial public offerings.

What We Offer

FINANCIAL ADVISORY SERVICES

- ♦ **Accounting and transactional services.** We provide a full range of accounting and outsourcing services to help your business develop and grow. That includes the preparation of financial statements, budgeting and business planning, management accounting, and outsourcing bookkeeping.
- ♦ **Financial due diligence.** We offer financial due diligence services for company mergers or acquisitions, providing both buyers and sellers with the necessary financial reports. These reports enable them to make informed decisions regarding the selling prices and fair values of the businesses involved.
- ♦ **Management advisory services.** We provide advisory services to businesses that are undergoing management or administration.

TAXATION

We also understand the intricate landscape of taxation that every business navigates. To assist on navigating clients' tax matters, our experts is dedicated to identifying and mitigating any potential tax matters. At KAP Clara Sunarsi dan Rekan, we provide reliable tax services intended to optimize clients' tax process and deliverables.
